

COUPON REDEMPTION POLICY STATEMENT

1. Coupons are redeemable only by a consumer purchasing the specific product(s) indicated on the coupon (i.e., the specific brand, size and quantity indicated), and only in accordance with the terms set forth on the face of the coupon and in this Redemption Policy. The face value of the coupon should be deducted from the retail-selling price. Only one coupon shall be honored for each item purchased.
2. We expect retailers to use reasonable care in accepting coupons. Retailers shall not accept coupons which have been reproduced or altered in any way or which are in uncirculated or mass cut condition. Retailers shall not cut and submit coupons on their own behalf.
3. Coupons are non-assignable and are void if transferred from their original recipient to any other person, firm, or group prior to store redemption. Coupons are not to be used in swap boxes, taped to product or gathered and distributed by any person or group for charitable fund raising purposes.
4. Coupons are void if taxed, restricted, or prohibited by law.
5. Retailers will be reimbursed for the following amounts:
 - A) Face value of coupons or, if a coupon calls for free merchandise, for the retail selling price (up to the stated cap amount), plus
 - B) \$.08 for handling each properly redeemed coupon, plus
 - C) Reasonable documented out-of-pocket costs incurred for the physical transportation of the coupons to Farming Technology or to Farming Technology's authorized agent.

Farming Technology will not pay for any administrative or consolidation fees and, except as expressly provided for in this Policy, will not pay any other charges that a retailer or retailer agent may assess on or in lieu of such pass-through/out of pocket expenses. The cost of transporting coupons to Farming Technology will be reimbursed as follows:

- i) Retailers who sort redeemed coupons and submit them directly without the use of any third party agent will be reimbursed for incurred actual, reasonable postage (*i.e.*, first class mail insured) or other actual, reasonable shipping charges, as indicated on the package received.
 - ii) Retailers who use a clearinghouse or billing agent will be reimbursed at the rate of \$5.00 per thousand (\$5.00/M) of coupons redeemed and properly submitted.
6. Coupon reimbursements, coupon adjustments and coupon handling/redemption charges may not be deducted from product invoice payments. Invoice deductions for coupon costs/charges/remittances are not in compliance with this Redemption Policy.

7. Farming Technology shall not be responsible for any additional coupon promotion costs, including but not limited to costs associated with “coupon doubling” promotions.
8. The consumer must pay any applicable sales tax.
9. There is a limit of one coupon per purchase of the product and size(s) indicated.
10. Coupons are only redeemable by retailers located in the U.S. and on U.S. military bases.
11. Properly redeemed and identified coupons will be accepted only from Farming Technologies’ authorized intermediaries or clearing houses. Coupons will not be honored if presented through unauthorized persons or companies. Coupons will be considered void when presented by an agency or broker not authorized by Farming Technology.
12. Parties submitting coupons for redemption must comply with all applicable laws and regulations, including IRS reporting requirements. All parties submitting coupons for redemption must have an IRS taxpayer identification number.
13. Retailers must present to Farming Technology upon request evidence of purchase of sufficient stock to cover coupons submitted for payment. Farming Technology reserves the right, as a condition to payment for submitted coupons, to audit the coupon sorting and billing services of any retailer or any agent involved in the handling of coupons submitted for payment.
